

How to find us

Reall's office is located in Coventry at:

**8 – 14 Harnall Row,
CV1 5DR
(use CV1 5EA for sat navs)**

By car:

Unfortunately, we do not have parking facilities available to visitors. Please park your car in one of the nearby public car parks, highlighted as **P** on the map, and then use the 'on foot' instructions to reach our office. Sainsbury's car park on Far Gosford Street is the closest to the Reall office (▲ on map), but is often full during the working day.

On foot:

Harnall Row is a gated road which runs adjacent to Far Gosford Street. Our street entrance is actually located on Sky Blue Way, marked ● on the map. If approaching from Far Gosford Street, cut through the Sainsbury's car park (▲ on map), emerging onto Sky Blue Way and turning right. Reall's entrance is less than a one minute walk.

By train:

Coventry's train station is approximately a ten minute taxi drive from the Reall office. As Harnall Row is relatively unknown, ask to be driven to Sainsbury's on Far Gosford Street, and use the 'on foot' instructions above.
